

UNITED STATES OF AMERICA,

V.

Defendant.

Case No. 2:16-cv-35-RLJ-CRW

On February 2, 2022, the Court entered an Order setting a hearing on March 3, 2022 at 10:00 a.m. for the pending motions before the Court filed by: (1) the Defendant asking relief from his monthly payment requirements [Doc. 53], and (2) the Plaintiff [Doc. 54] asking the Court to require Defendant to show cause as to why he should not be held in civil contempt for failure to comply with the installment payment order [Doc. 29] entered in this matter (collectively “Motions”).

The Parties stipulate that they have been attempting to resolve the pending Motions and need some additional time to complete their meaningful settlement discussions in order to potentially settle these issues without the necessity of the Court's time and involvement. The settlement process would be greatly aided by the Court's extension of time for the hearing on the Motions until March 31, 2022 or whatever date after that which is available for the Court.

Respectfully submitted,

David A. Hubbert
Deputy Assistant Attorney General
